

CERTIFICATE OF PRESENTATION

THIS IS TO CERTIFY THAT

Paper ID : 138
Paper Title : Data-Driven Modeling of a Wideband Power Amplifier for Performance Prediction and Feature Analysis

Author(s) : Nishat Anjumane Salsabila, Rifat Bin Alamgir

has been successfully presented at **2026 IEEE 2nd International Conference on Quantum Photonics, Artificial Intelligence and Networking (QPAIN 2026)**
held on 16-18 April, 2026 at IT Business Incubator,
Chittagong University of Engineering and Technology (CUET), Chattogram, Bangladesh.

Organized By

IEEE Photonics Society Bangladesh Chapter

Prof. Dr. Nasrin Sultana

Conference Chair

Md. Tabil Ahammed

Organizing Chair

Dr. Mainul Hossain

Technical Chair
